Regular - Students who are currently enrolled in each class leading to the O.D. degree and taking a full-time course load.

(continued on following page)

Repeat - Students who were previously enrolled as a regular student and did not advance to the next class. For example, a student in a second year of attendance but who is repeating enough first-year courses to be considered part of the first-year class is a repeat student. Repeat students are taking a sufficient number of credit hours to be considered a full-time student. A repeat student is not a student who was suspended and, after re-application, admitted again as a regular student.

Transfer - Students who have enrolled after first attending another institution of optometry and leaving in good academic standing.

Dismissed/Voluntarily Discontinued (Transfer After Dismissed/Voluntarily Discontinued) - Students who have enrolled after first attending another optometry institution where they were dismissed or left because of academic and/or disciplinary reasons.

Regular - Students who are currently enrolled in each class leading to the O.D. degree and taking a full-time course load.

Repeat - Students who were previously enrolled as a regular student and did not advance to the next class. For example, a student in a second year of attendance but who is repeating enough first-year courses to be considered part of the first-year class is a repeat student. Repeat students are taking a sufficient number of credit hours to be considered a full-time student. A repeat student is not a student who was suspended and, after re-application, admitted again as a regular student.

Transfer - Students who have enrolled after first attending another institution of optometry and leaving in good academic standing.

Dismissed/Voluntarily Discontinued (Transfer After Dismissed/Voluntarily Discontinued) - Students who have enrolled after first attending another optometry institution where they were dismissed or left because of academic and/or disciplinary reasons.

NSUOCO	Yes	NSUOCO endorses the policy, approved and adopted by ASCO on March 19, 1995. In addition, the class into which they want to transfer MUST have a vacancy. Requests for transfer are handled on an individual basis by members of the Admissions Committee, who make recommendations to the Dean.	No

The extended program is designed for individuals who are returning to school after an absence, are changing professional fields, or who require a lighter course load initially because of family or other obligations. Students in the extended program take courses with the full-time students but with a reduced course load. Coursework covered in the first two years of the traditional full-time program is covered in three years in the extended program. The last two years of both programs are identical. The curriculum and graduation requirements for the extended and full-time programs are the same.	49
