(continued on following page)

Regular - Students who are currently enrolled in each class leading to the O.D. degree and taking a full-time course load. **Repeat** - Students who were previously enrolled as a regular student and did not advance to the next class. For example, a student in a second year of attendance but who is repeating enough first-year courses to be considered part of the first-year class is a repeat student. Repeat students are taking a sufficient number of credit hours to be considered a full-time student. A repeat student is not a student who was suspended and, after re-application, admitted again as a regular student. **Transfer** - Students who have enrolled after first attending another institution of optometry and leaving in good academic standing. **Dismissed/Voluntarily Discontinued** (Transfer After Dismissed/Voluntarily Discontinued) - Students who have enrolled after first attending another optometry institution where they were dismissed or left because of academic and/or disciplinary reasons.

Regular - Students who are currently enrolled in each class leading to the O.D. degree and taking a full-time course load. **Repeat** - Students who were previously enrolled as a regular student and did not advance to the next class. For example, a student in a second year of attendance but who is repeating enough first-year courses to be considered part of the first-year class is a repeat student. Repeat students are taking a sufficient number of credit hours to be considered a full-time student. A repeat student is not a student who was suspended and, after re-application, admitted again as a regular student. **Transfer** - Students who have enrolled after first attending another institution of optometry and leaving in good academic standing. **Dismissed/Voluntarily Discontinued** (Transfer After Dismissed/Voluntarily Discontinued) - Students who have enrolled after first attending another optometry institution where they were dismissed or left because of academic and/or disciplinary reasons.

Admission of Students with Advanced Standing to the Professional O.D. Program, AY 2014-2015

School ID	Do you accept applications for transfer from students currently in good standing in another optometric institution? (A transfer student is a student who has enrolled after first attending another institution of optometry and leaving in good academic standing.) Excludes graduates of foreign schools.		Do you accept applications for transfer from students who have been dismissed from other programs?	If yes, do you only consider them to start in your first year program or do you do individual placement?	
AZCOPT	Yes	Applications for transfer will be considered and evaluated on a case-by-case basis.	No		
IAUPR	Yes	They are required a minimum of two years at our School of Optometry in the Inter American University of Puerto Rico to earn the degree. Courses graded as D are not accepted for transfer credits.	Yes		We accept applications from other institutions if dismissed for academic reasons after a thorough evaluation of their file and if they are able to prove that conditions that lead to poor performance do no longer exist.
ICO	Yes	Applications for transfer students to the Illinois College of Optometry are required to contact the Office of Admissions. The candidate is required to follow the transfer application procedure as outlined on ICO's website (completing an application, fulfilling all prerequisites, submitting Optometry Admission Test results, letters of recommendation, including a letter from the Dean at their current optometric school).	Yes	Only First Year	A candidate seeking admission to the Illinois College of Optometry who has been dismissed from another optometric institution is required to follow the traditional application procedures as outlined on ICO's website (completing an OptomCAS application, fulfilling all prerequisites, submitting Optometry Admission Test results and submitting letters of recommendation, including a letter from the Dean at their current optometric school).
IUSO	Yes	We review, but rarely admit.	Yes		Generally, we are in discussions with students prior to application and can advise whether or not we will consider.
MCO	Yes	Transfer student admission is on a case by case basis and the availability of a seat at MCO.	Yes	Individual Placement	Transfer student admission is on a case by case basis and the availability of a seat at MCO.
MCPHS	Yes	Applications for transfer will be considered and evaluated on a case-by-case basis.	No		
NECO	Yes	When openings in classes permit, the College will review applications for transfer from students who are currently enrolled in other accredited schools or colleges of optometry. Acceptance is contingent upon satisfactory completion of courses equivalent to those at the New England College of Optometry. Students requesting transfer must provide a personal statement with supporting documentation demonstrating a compelling need to transfer in order to complete their optometric education. The dean at the applicant's present optometry school is required to provide official acknowledgment of the student's request for transfer and certification of good academic standing.	Yes	Individual Placement	When openings in classes permit, the College will review an application from a student who has been dismissed or withdrew from another accredited school or college of optometry. A student requesting a transfer must provide a personal statement with supporting documentation explaining his/her circumstances and how he/she can complete his/her optometric education. The dean at the applicant's former optometry school is required to provide official acknowledgment of the student's request for transfer. An application does not entail acceptance to the College. If the student is admitted, he/she may not receive credit for courses taken at the previous institution.

**Almost all out-of-state students convert to in-state before the second year. Non-U.S. citizens may not convert to in-state. UCB assesses a flat Educational Fee (tuition) across all campuses.

***MCPHS does not have fourth-year tuition listed because its first class matriculated in fall 2012.

****Pacific University is a private institution and does not have non-resident tuition rates. All students in the same year pay the same tuition and fees.
