OFFICE OF THE CHIEF HUMAN CAPITAL OFFICER (OCHCO) BULLETIN

SUBJECT: *Updated* VA Leave Guidance During Novel Coronavirus (COVID-19)

This OCHCO Bulletin provides Human Resources offices information on various leave options that may be utilized by employees during COVID-19. This Bulletin is amended to add weather and safety leave as a possible type of leave for the first scenario.

Weather and safety leave may be approved when an asymptomatic employee (i.e., healthy, not displaying symptoms) is subject to movement restrictions (i.e., quarantine) under the direction of public health authorities due to a significant risk of exposure to COVID-19. However, if the employee has a telework agreement in place, the employee would generally be expected to perform telework.
