

FIND YOUR CHARGE THROUGH A CAREER IN OPTOMETRY

Live and work with purpose as an eye doctor.

GIVE YOUR BEST

A career in optometry gives you the opportunity to help others and make an impact each day — whether you're helping a child get fitted for their first pair of glasses or detecting a disease.

LIVE YOUR BEST

- Give back to your community or those in need while making time to do the things you love.
- Work toward a salary you feel good about — the average salary for an optometrist is \$168,000/year.
- Enjoy a strong work-life balance.

Here's what it takes to become a Doctor of Optometry

- 1** Take prerequisite courses with a strong background in the sciences
- 2** Take the OAT, GRE, or other entrance exam if necessary for your program
- 3** Apply to one of the 24 optometry schools in the country
- 4** Complete your OD degree and fulfill requirements to acquire your license
- 5** Start working in optometry and enjoy your new career
