

Distribution of non-ASCO surveys

- *Individuals affiliated with an ASCO member institution seeking to distribute a survey can use ASCOConnect to share the survey link, either through the open forum or through a group to which they belong. ASCO staff will not post links to surveys that do not arise through committees, SIGs or other official ASCO groups.*
- *A disclaimer should be added to ASCOConnect stating that ASCO does not endorse and is not responsible for the content of any surveys posted within ASCOConnect by individuals associated with ASCO member institutions.*
- *Non-members seeking ASCO's assistance in distributing surveys will be directed to publicly available school and college contact information on the ASCO website, and can contact member institutions directly. ASCO will not distribute surveys for non-members nor provide them with contact lists other than those on the ASCO website.*
