FIND YOUR CHARGE THROUGH A CAREER IN OPTOMETRY

Live and work with purpose as an eye doctor.

GIVE YOUR BEST

A career in optometry gives you the opportunity to help others and make an impact each day—whether you're helping a child get fitted for their first pair of glasses or detecting a disease.

LIVE YOUR BEST

- Give back to your community or those in need while making time to do the things you love.
- Work toward a salary you feel good about—the average salary for an optometrist is $168,000/year.
- Enjoy a strong work-life balance.

Here's what it takes to become a Doctor of Optometry

1. Take prerequisite courses with a strong background in the sciences
2. Take the OAT, GRE, or other entrance exam if necessary for your program
3. Apply to one of the 25 optometry schools in the country
4. Complete your OD degree and fulfill requirements to acquire your license
5. Start working in optometry and enjoy your new career
